Holiday Lighting

Pacific Lawn Sprinklers:

OUR HISTORY:

Since 1980, Pacific Lawn Sprinklers was established as a family owned business that has been providing quality installations and service to homeowners and businesses for over 37 years. Today, Pacific has become a company of independent owner operated divisions that allow us to provide clients with that friendly neighborhood service by your “local sprinkler guy”.

WHY YOU SHOULD INVEST IN A PACIFIC LAWN SPRINKLERS’ SYSTEM:

YOU WILL

- save time** - your system will do all the watering for you - automatically!
- save water** – a Pacific system, designed to deliver water directly to your landscape will eliminate water waste.
- save money** – less water means lower water bills. Healthier plant life promotes reduced landscape maintenance costs.
- rest easy** – the Pacific Lawn Sprinklers name is your assurance of quality, value, and performance for over 37 years.

If you’re tired of dragging hoses across your lawn, then it’s time to have a professionally designed and installed irrigation system. Pacific will custom design a lawn sprinkler system that maximizes water efficiency and will make your landscape the envy of your neighbors – all within your budget!

WHY YOU SHOULD ONLY CHOOSE PACIFIC LAWN SPRINKLERS AS YOUR SERVICE COMPANY:

Pacific Lawn Sprinklers has become the leader in the irrigation industry by not just providing quality installations, but more importantly, providing the BEST customer service possible. Pacific operates a friendly corporate call center that handles all customer service requests by immediately routing your call to an onsite neighborhood technician. Pacific’s state of the art technology helps to increase response time and provides accurate billing, all while being environmentally responsible.

LAWN SPRINKLERS:

All lawn sprinkler installations are NOT created equal. When you choose Pacific Lawn Sprinklers for your new installation an entire team of experienced specialists will collaborate to make sure your installation is a pleasant experience. From the customer service representative who schedules your estimate, to the irrigation designer who visits with you to develop a system that exceeds your expectations, to our experienced installation crews – each step will be a smoothly choreographed process.

SPRINKLER INSTALLATION:

Since 1980 Pacific Lawn Sprinklers has been specializing in residential and commercial irrigation systems. Over the years, Pacific’s unique process for the installation of sprinkler systems has been customized for each individual home and landscape design. An irrigation installation begins with the design and is carried through to the setup of each sprinkler head, the location of the control valves, the installation of the pipe and the mounting of the control timer and rain sensor.

UNIQUE FEATURES DEVELOPED BY PACIFIC LAWN SPRINKLERS:

- * **Quality Control and Pacific's 38-Point Check List** - developed exclusively by Pacific Lawn Sprinklers to ensure that your new lawn sprinkler system has been installed according to Pacific's standards. Strict measures of high quality work has helped Pacific to ensure the job is "done once and done right". This type of focus and attention has offered Pacific the advantage of exceeding each client's expectations and receiving numerous referrals to family and friends.
- * **State-of-the-art pipe laying equipment** to ensure that most residential irrigation systems are installed in just one day with minimal, if any signs of lawn disturbance.
- * **Existing sidewalks and driveways are no problem** to cross under using our air powered punches and boring equipment. Sprinkler piping is installed under these obstructions so there is no need for cutting, breaking or patching.
- * **For the delicate areas** such as flower beds and vegetable gardens, Pacific uses the tried and **true method of hand trenching** to preserve the integrity of the existing root structure and plant material.

SPRINKLER SYSTEM COMPONENTS:

*Pacific Lawn Sprinklers is an authorized service representative for all the major lawn sprinkler product lines and manufacturers such as: Hunter Industries, Toro Lawn Sprinklers, Rainbird Sprinklers, Netafim Drip Irrigation Products, Weathermatic, Irritrol and K Rain. Pacific has the ability to offer some of the longest manufacturer's warranties in the industry (1 , 3 , 5, 10 year and even lifetime on specific products).

AFTER CARE SERVICE:

Follow up service is Pacific's strongest asset. Continued customer service will be provided by one of the largest locally positioned team of service professionals in the industry. In the event you may require additional service or would like to alter your irrigation system due to landscape changes, you can be assured that Pacific's service team is only a call or click away.

See why so many of your friends and neighbors rely on the services of Pacific Lawn Sprinklers to keep their homes and landscape looking the BEST they can be. Over 37 years of dedicated customer service reflects our commitment and dedication to being the BEST Customer Service Company in the Tri- State area.

Landscape Lighting

Make your home stand out as the sun goes down. A professionally installed low voltage LED lighting system presents your home in a fresh and inviting atmosphere at night. You will notice a dramatic difference by having Pacific Lights professionally design and install your landscape lighting system. Our specialists will help you achieve your desired effects through the use of specific lighting techniques such as, shadowing, up lighting, down lighting, back lighting, silhouetting, grazing and wall washing. Our certified designers carefully manage lighting levels, directions, voltage drops and electrical requirements, and create focal points and eye catching night scenes.

LED LANDSCAPE LIGHTING:

BENEFITS

- * **Beauty** - Accent lighting of individual trees, shrubs, flower beds and the architectural elements of your home are achieved by specific design and placement of specific fixtures.
- * **Investment** - A beautifully lit home has been proven to drastically increase the value of your property. By installing a lighting system today it allows you to enjoy all the benefits now at the same time increasing your property value later when it may be time to sell in the future.
- * **Safety** - Well lit walks and stairs can greatly reduce the chance of tripping or falling in the dark. Accented pathways will become highlighted features that provide a welcoming entrance into your home.
- * **Security** - Proper lighting around a home or business has been shown to reduce crime potential by up to 50%. By lighting dark shrubs and facades, you can eliminate hiding places and increase visibility for a neighborhood watch or police patrol.

WARRANTY:

Pacific Lights has been on the cutting edge of the lighting industry since its very beginning. Reliable, trouble free products that can hold up to mother nature's harshest elements, are the only components Pacific installs. Most of the lighting fixtures will carry a 5 year manufacturer's product warranty.

Some of the bulbs (sometimes called lamps) and transformers will carry a 10 year to life time warranty. So rest easy because you can be assured that the Pacific Lights team are factory authorized service representatives of most major brands, such as Unique, Sollos, Cast and Kichler.

Holiday Decorating

Pacific
LIGHTS
By Pacific Lawn Sprinklers

DO-IT-YOURSELF OR HAVE PACIFIC DO IT?

Pacific's experienced decorating teams take the worries and headaches out of decorating your home for the holidays. NO more tangled Holiday lights, shorting lines and bulbs, climbing ladders, hanging from trees and walking along roof tops. Pacific Lights decorators use only the latest state of the art LED products, the highest standards in safety, only OSHA approved equipment and are fully insured.

Enjoy the holidays this year as Pacific's elves turn your home into a unique magical scene that comes alive at night. Your lighting and decorations will be professionally installed, removed and even stored away if you are short on storage space!
